

	TIME	TOPIC	Digital transformation & smart facilities
DAY 1: 2 JUNE 2026	10:00 - 10:30	Leadership in the C&I energy transition - Driving execution in practice <i>SAPVIA Presented by TBC</i>	
	10:30 - 11:00	Financing energy solutions — Structuring investment for solar, storage and distributed energy systems <i>ABSA Presented by Rashveer Manilal</i>	
	11:00 - 11:30	Powering South African industry — The role of the C&I sector in energy security and energy solutions deployment <i>Eskom presented by TBC</i>	
	11:30 - 12:00	Topic TBA <i>Sigenergy presented by Jade Martyn</i>	
	12:15 - 12:45	Empowering efficiency with Samsung's b. IoT <i>Samsung Electronics presented by Joseph Kaseke</i>	
	13:00	Lunch	
	13:30 - 14:00	ISO 45001:2018 — Building safety systems that work in practice <i>World Wide Industrial and Systems Engineers presented by Pieter Demeyer</i>	
	14:15 - 14:45	Juggling the cyber security risks in FM — Don't drop the ball <i>Private management consultancy by Bruce Robertson</i>	
	15:00 - 15:30	Emergency preparedness in South Africa: Are businesses truly ready? <i>Medi Response presented by Saul Behrman</i>	
DAY 2: 3 JUNE 2026	09:30 - 10:00	Integrated C&I energy solutions — solar PV, battery storage & smart energy management systems <i>Rubicon Presented by Nick Roche</i>	Hybrid work & space optimisation and health, safety & regulatory compliance
	10:00 - 10:30	Building local value chains — Localisation in C&I energy solutions deployment <i>SAWEA Presented by Santosh Sookgrim</i>	
	10:30 - 11:00	Corporate energy strategy — Moving from pilot projects to scalable C&I energy portfolios <i>Bidvest Facilities Management Presented by Kgomotso Jaja</i>	
	12:15 - 12:45	Energy performance certificates made easy <i>PAS Automation Services South Africa presented by Nirmal Narotam</i>	
	13:00	Lunch	
	13:30 - 14:00	Security theatre vs. real risk — Why many properties feel safe but aren't <i>I Secure Africa presented by Brent Saaiman</i>	
	14:15 - 14:45	Reactive compliance or proactive liability protection <i>OHSS Consulting presented by Chris</i>	
	15:00 - 15:30	The evolving role of facilities management in the AI era <i>Syntell Group presented by Dave Rampersad</i>	
DAY 3: 4 JUNE 2026	09:30 - 10:00	Energy project implementation 101 for C&I users <i>Sustainable Power Solutions (SPS) Presented by Anja Visagie</i>	Workforce challenges & skills development, cybersecurity & systems integration
	10:00 - 10:30	ESG and business value — Turning sustainability commitments into operational energy solutions <i>Presented by TBC</i>	
	10:30 - 11:00	From one project to many — Scaling C&I Energy solutions across industry <i>Presented by TBC</i>	
	11:00 - 11:30	Topic TBA <i>Renewable Energy presented by TBC</i>	
	11:30 - 12:00	Topic TBA <i>Renewable Energy presented by TBC</i>	
	12:15 - 12:45	Content management and digital signage solutions for the future <i>Samsung presented by Ntuthuko Mazibuko</i>	
	13:00	Lunch	
	13:30 - 14:00	Topic TBA <i>Nuwkem Tirca Presented by TBA</i>	
14:15 - 14:45	Topic TBA <i>Nuwkem Tirca Presented by TBA</i>
